VALENTINA VAUGHN

Oh My Darling Valentina!

Photos by Hickephoto.com

So firm. So juicy. So fuckable! One could go on and on describing porn goddess Valentina Vaughn and her million dollar body. It's pure perfection at first glance—a tight little ass, curvy slim waistline, firm natural titties and those big, pouty lips. And while it all seems so amazing, it actually gets better upon closer inspection, when Valentina spreads those long legs apart and exposes her sexy, ripe-red pussy mound. Anything this hot should have a warning label on it! [CAUTION: MAY CAUSE EXTREME ERECTION!]

STORMY'S 10 COMMANDMENTS OF PORN FAN ETIQUETTE

HIGH SOCIETY's ENTERTAINMENT EDITOR

Most girls in the adult entertainment business will tell you they love meeting fans. I am no exception. I sign at every convention possible, attend as many parties as I can, and still actively feature dance at least once a month. It is not only our chance to thank the people that keep us in business, but it is also grassroots marketing at its best. Ninety-nine percent of my fans are absolutely wonderful and I truly enjoy spending time with them. Unfortunately, there is always that one or two percent that in some way are seriously out of line. I know it comes with the territory, but why do these idiots have to ruin it for everyone else? I can't figure out if they are truly assholes or just plain socially inept. In the ten years that I have been involved in the adult business I have encountered more than my fair share of these guys. Through the years, I have developed my own rules of proper fan behavior, known here as the Ten Commandments of Porn Fan Etiquette. Some of the following apply to strip clubs, some apply to conventions or bookstore signings, and some apply to the rare chance you spot your favorite porn-star in the supermarket. Please read and obey....

You'd be amazed and disgusted at the crazy shit guys ask me to sign!

The first thing I would like to address is personal hygiene. We go out of our way to look beautiful for you. The least you could do is take a shower. Deodorant, cologne, and breath mints are a must! I understand that meeting your favorite girl could make you sweat, but if your pits are stinky please don't put your arm around us.

I also know that a trip to AVN can be quite costly and you may be tempted to sleep in your car. Bad idea! Why don't you save up for another year, so you can do it in style...with a bathtub.

Rule Number one AND two of my personal pet peeves: Don't show us your cock (or photos of it)! I guarantee I've seen much bigger and if I want to see it, I will ask.

Personal space seems to be another issue, which brings us to Number three: I am very friendly and will happily put my tits in your face while I'm dancing on stage, but some patrons will take advantage. No licking, biting, or intrusive sniffing...what is with that whole blowing on our crotch thing anyway? Never touch any part of our body without our permission. And walking up and saying "Can I touch your pussy?" before even a simple hello ain't gonna cut it either.

There are some things I simply won't let the fans do.

Number four is a huge annoyance for every girl I know. Don't ask us to get you into porn. We cannot help you. Go online and submit your photos yourself.

We will not vouch for some guy in a bar...and no, we won't audition you.

Number five is convention etiquette. I know the lines at AVN can be excruciatingly long, but don't cut. The others will turn on you...I have actually seen it happen. When you do get your chance for a picture, don't try to conduct your own private photo shoot! One picture per guy is more than fair. Also, don't be one of the scumbags that sells our photos on eBay. We HATE you!!! Also, don't be the asshole that photographs us while we're eating. How would you like it?

Number six has to do with inappropriate conversation. Being pornstars we're pretty difficult to offend. I am more than happy to answer almost any question you may have about myself, my movies, the business, or sexuality, in general. I might prefer you didn't quiz me about anal sex in the produce section (true story!), but I guess it's to be expected. DO NOT tell me how you cleaned out the entire Kleenex section in my honor, what you'd like to do with my unconscious body, or how many times that day you've jerked off. And if you absolutely cannot contain your masturbation tales, don't try to shake our hands afterward. Also, don't go on and on about your sexual prowess. We work with trained professionals. If you were so great, you'd be one of them! I know what's coming next: please refer back to Number four.

Number seven is what most people would consider normal privacy. Some just don't get it, however. Don't ask us what our real names are. We won't tell you. We will just make up another name. And just because you are my friend on myspace or we've chatted online, you are NOT entitled to my phone number. Asking for strange souvenirs like pubic hair, urine, or tampons really freaks us out. I actually had a guy steal one of my dirty socks! And finally, if you show up on my front lawn, I will not hesitate to shoot you.

"Rule Number one AND two of my personal pet peeves: Don't show us your cock!"

Stage rules come in at number eight. I know that I spend a lot of time, energy, and money coming up with good shows to entertain my fans. So the second I come out on stage, don't go "Yeah, Yeah...just fucking take it off." I spent two thousand dollars on that costume and you're gonna sit there and watch me twirl around in it for three minutes. You know it's going to come off (hence, the name "strip club") so why don't you just let me enjoy my pretty little outfit for a song or two? Also, don't be cheap. Don't tip one measly dollar and then go "that's all I get?" What do you want? Fucking Cirque de Solei? Stealing money off the stage in an attempt to "re-tip" will result in a stiletto to the face. Messing with a stripper's cash is more dangerous than sticking your hand in a lion's cage. Once it hits the stage, it's ours!

Number nine involves the whole merchandising gimmick that takes place at a store signing or after a feature dance show. There is a strict no refund/exchange policy. No! You cannot buy a DVD, take it home, jerk off to it, and bring it back the next night for a different one. Are you high? Also, don't haggle us about prices. Do you see a blue light? This isn't fucking Kmart! I encourage guys to bring in DVDs and magazines from home. I have no problem autographing these items. I'll even do it at no cost. But try not to get carried away. I once had a guy ask me to sign a huge stack of pictures, movies, magazines, and every trading card of me there is. It took me over an hour and he didn't even offer a tip. Also, don't ask me to sign random things you find lying around or you have in your pocket. Examples include (but not limited to): matchbooks, napkins, the flyers you stole off the wall in the men's room, or your beer bottle.

And last but not least...a list of things you should NEVER say to us:

1. You're prettier/thinner in your pictures.
2. What do your parents think of your job?
3. How are you gonna explain this to your unborn children?
4. Do you believe in Jesus?
5. How much?

All of the above makes us terribly un-horny, which is not going to help your cause. And telling us how you'd leave your wife and children to be with us just makes you look like a pathetic, desperate jerk.

Now you may think some of this sounds a bit harsh, but you'd be amazed by the stories some of us can tell. You would think a lot of this would be common sense, but I promise every one of the commandments listed above came from necessity. It would never occur to me that I would have to warn against actually biting if it hadn't already happened to me...more than once, I might add. And once again, I would like to say the other ninety-nine percent of you are true gentlemen and it's an honor to perform for you. I enjoy meeting you, taking photos with you, and personalizing your collection. Without you, the fans, I would be nothing. The other one percent of you need to go straight to obedience school!!

LIANA & DILLON GEORGE

Euro Railed

Liana is a busty, lusty fuck doll from the old *cuntry*. She may be charming and mesmerizing with her sweet, innocent smile and her big, natural jugs, but don't be fooled: she's the biggest slut this side of the Himalayas! In a mountain climbing state of mind, Dillon and George waste little time scaling Liana's Himalayan fun bags and tittie-fucking her giant breasts. Before long, our deviant dick duo make their way down her body to Liana's soft, pink pussy and shiny little shithole, where they take turns running a train on her ass and double-stuffing her in a filthy hot D.P. before busting their nuts all over that innocent little Euro-slut face of hers. ALL ABOARD!

KATSUMI

Self-Discovery Slut

The age-old question of Nature vs. Nurture—some poeple believe that humans are genetically pre-disposed with certain behavioral characteristics. Others believe you learn to act certain ways through experience and influence. Porn legend Katsumi makes her case in biology class. All those naked anatomical charts and clinical pictures on the wall finally got to her repressed private school libido, pressuring her to begin down a dangerous path of self-exploration. It all starts innocently enough with some clit diddling and a lollipop. But soon, she'll be getting fucked in the ass and cummed on for money—and her whorish evolution to the porn side will be complete!

THE DELICIOUS DOUBLE-Ds OF DIORA BAIRD

Blonde, beautiful, and bodacious, delicious Diora Baird is the newest sex starlet to capture our fancy—and the eager eyes of bloggers, web-surfers, movie fanatics and men's magazine purveyors around the world. Here's her still-in-the-making story and some shots from her latest pulse-raising projects—including the just-out-on-DVD indie offering, *Hot Tamale*. A 26-year-old Miami, Florida native, Diora reportedly left home when she 17, heading West to try her luck in L.A. Despite her knee-weakening figure and breath-taking smile, Diora didn't emblazon herself into our craniums and crotches upon arriving in Tinsetown, spending her initial years in L.A. working as a caterer, waitress and pre-school teacher. Diora's perseverance paid off, though, when she began to snag a bunch of high-profile modeling gigs a couple of years later, including a series of ads for Guess! Jeans. That work soon led to a few television and low-budget film roles which, in turn, landed her a cover spot on a leading men's magazine in August, 2005 and a quick supporting spin in *Wedding Crashers*. Sure, we liked Vince Vaughn and Owen Wilson in last summer's smash comedy, but it was Diora's brief, topless appearance in the film's opening bedroom scene that had our heads spinning! It's hard to believe that there was a brief time when Diora actually pondered reducing her most prominent, pulchritudinous assets.

"It wasn't until in the last year and a half that I started making fun of myself and the fact that I have big boobs," she commented earlier this year. "I never really was comfortable with my large breasts. And I went to the plastic surgeon, and almost got a breast reduction. I didn't do it, thankfully."

No, Diora. THANK YOU!!!

SEXY SWIMSUIT SUPERMODEL

RACHEL HUNTER SKINNYDIPPIN'

Rachel Hunter took full advantage of a recent vacation to truly relax and let it all hang out! The New Zealand-born supermodel took time out recently from her busy schedule for some sun and fun with new boyfriend Jarrett Stoll in the crystal-clear waters of Barbados. Vacationers and lucky spectators were treated to a crystal-clear shot of Rachel's jiggling juggs and camel toe bikini while she frolicked in the water at a public beach! Those same wonderful tits that paved her way to fame on the cover of the 1989 Sports Illustrated Swimsuit Edition still look dynamite, as does her super-toned, supermodel physique. When not flashing her breasts on beaches and magazine covers, Rachel's been busy taking acting lessons in an effort to prove herself a serious actor and not just a hot piece of ass. Good luck Rachel!

RACHEL HUNTER'S BEACH BOOBS!

Rachel and her lusty, busty flotation devices climb aboard a raft at a public beach in Barbados.

CRYSTAL KLEIN

Crystal's Method

Is there a method to Crystal's sexual madness? Not really. "I'm sexually impulsive," explains the gorgeous blonde beauty. "If it feels good, I do it!" Luckily for us Crystal feels good stripping off her clothes and revealing her tight hardbody and perfect titties. Our Holiday centerfold is a spontaneous little firecracker, frolicking on picnic blankets and bar tops before eventually hopping up on a pool table and spreading her long thighs apart, showing off her delectable cooze and shapely ass for all to admire. "Do you like the way my pussy looks? Sometimes I think it's too tight." Uh, um, trust us Crystal, there's no such thing: too tight is just right!

PAOLA & HAILEY & TOMMY

Cum Hungry Leave Full

The best part of any nice dinner is a great desert. That's what Tommy and Hailey were thinking after a delicious candlelight dinner when their waitress Paola came by to check on them. "Anything else for you two?" Tommy was thinking cheesecake, but Hailey had a different idea altogether once she saw Paola's tan, round ass peeking out of her French maid uniform. "I think we'll have you," replied Hailey as she hiked Paola's skirt up to reveal her soft, pink pussy lips. Before you know it, Hailey and Paola were dining on crème of cock, while Tommy opted for the double fish taco special. Now that's what we call fine dining!

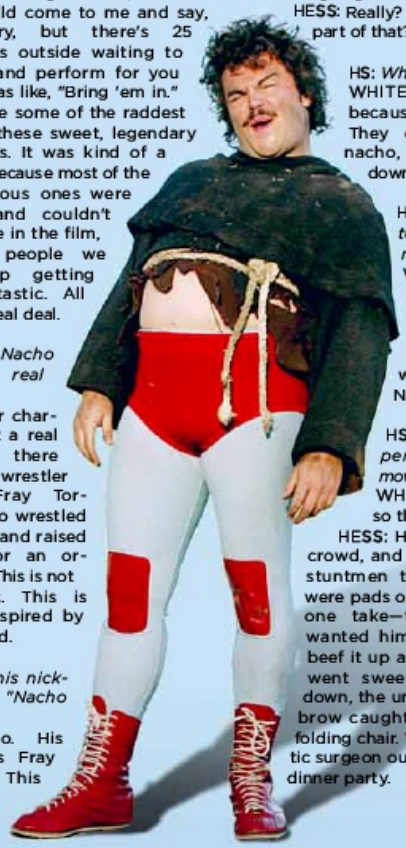
NACHO MEN

Jared Hess & Mike White

by DAN KAPELOVITZ

Jared Hess (director of Napoleon Dynamite*) and Mike White (writer of* School of Rock *and* Chuck and Buck*) have teamed up to create their latest masterpiece,* Nacho Libre*, starring Jack Black. I sat down with this dynamic duo on the Paramount lot to discuss albinos, stalkers, and Mexican wrestlers.*

HIGH SOCIETY: *Is it true that tons of Mexican wrestlers swarmed the set wanting to be in the film?*
JARED HESS: In Mexico City, we'd be casting for a regular role, and somebody would come to me and say, "I'm sorry, but there's 25 luchadores outside waiting to come in and perform for you guys." I was like, "Bring 'em in." There were some of the raddest guys—all these sweet, legendary luchadores. It was kind of a bummer because most of the more famous ones were booked and couldn't participate in the film, but the people we ended up getting were fantastic. All real—the real deal.



HS: *Was Nacho Libre a real guy?*
HESS: Our character isn't a real guy, but there was a wrestler named Fray Tormenta who wrestled in Mexico and raised money for an orphanage. This is not a bio-pic. This is loosely inspired by what he did.

HS: *Was his nickname "Nacho Libre"?*
HESS: No. His name was Fray Tormenta. This is totally new—"Nacho" is like the short form for "Ignatio."

HS: *Is that where the name for nacho chips comes from?*
HESS: I don't think so.
MIKE WHITE: They're trying to do all of these tie-ins with the movie, like Nacho nachos.

HS: *Are there any product placements in the film?*
WHITE: There are no product placements in the film; there are going to be tie-ins. We're going to have an Icee—we're going to have our own flavor.
HESS: Really? Are we going to be a part of that?

HS: *What flavor?*
WHITE: Blueberry. I guess because his mask is blue. They did have a Nacho nacho, but we had to lay down the law.

HS: *Wouldn't it be cool to have a Nacho nacho?*
WHITE: We just didn't want to have a bunch of Taco Bell *Nacho Libre* products.
HESS: It's just not what the movie is. Nacho's his name.

HS: *Anything weird happen while filming the movie?*
WHITE: Jack got injured; so that was a bad day.
HESS: He dove out into the crowd, and we had like 10 or 12 stuntmen to catch him; there were pads on the ground. We did one take—totally awesome. I wanted him to do it again, to beef it up a little bit—everything went sweet, but on the way down, the underneath of his eyebrow caught the top of a metal folding chair. We had to call a plastic surgeon out from a high-society dinner party.

HS: *Did you catch the incident on film?*
HESS: We did.
WHITE: *It's not in the movie.*
HESS: It didn't work because the moment he landed, he was up, gushing blood. But you can see it; it's crazy, because what happens is the dude who was catching him—his head hits the seat of the folding chair; so it pushes it up vertically. It will be on the DVD.

HS: *Were you worried that you would get kidnapped in Mexico and held for ransom?*
HESS: We were in the safest part of the world, I think. In Oaxaca. It's like the most chill, tranquil, mountain village.
WHITE: It seems safer there than it does here, for sure.

HS: *How did you two team up for this project?*
HESS: I saw *Chuck and Buck.* Just kidding.
WHITE: Jared was into this idea for Jack; so that's how he found me, Jack's gatekeeper.

HS: *Do you both get freaky fans?*
HESS: Not really.
WHITE: You don't get letters in your car in Utah?
HESS: One time we had a P.I. that was an old woman with her grandson, sitting out in front of our house. She's like, "I'm an investigator, and I've been hired to track you down by a lawyer from California." Just to see if we wanted a lawyer. I was like, that is the creepiest way to do it.
WHITE: There's a guy at my Starbucks who's basically forced me to go to a different Starbucks. He's always there, and he's like "I'll tell you what happened to me; your movie inspired me, da, da, da." And he kept asking me for my phone number; so I gave him a defunct phone number that doesn't work just to get rid of him, and I'd see him and he'd be like, "I called that number, and it didn't work. What's your real number?" Now if I see him when I'm at that Starbucks, I'll just start running to my car. I haul ass out of there.
HESS: There was a guy in one of your

poleon was Luke Skywalker?" It's like the *Star Wars* world, but Napoleon doing Napoleon junk.

HS: *Are there any good catch phrases in* Nacho Libre *that people will be quoting left and right?*
HESS: I don't know. We'll have to wait and see.
WHITE: You can't force a catch phrase. It just has to emerge from the movie.

HS: *How did two misfits like you guys manage to make it in Hollywood?*
HESS: Have we made it?
HS: *Are you even misfits?*
HESS: That's a good question, an albino and a Mormon.

HS: *Are you an albino?*
WHITE: According to Jared.

HS: *Are you a Mormon?*
HESS: I am.

HS: *Have you seen that movie* New York Doll*?*
HESS: I loved it. I saw it up at Sundance.
WHITE: What does that have to do with Mormonism?
HESS: The dude was the bass player of the New York Dolls, and he became a Mormon, and he was working over at the Temple on Santa Monica.

HS: *Have you heard that album "The Plan" by the Osmonds; it's their psychedelic Mormon concept album?*
HESS: I haven't. I'm sure I could I find it at a Utah Desert Industries thrift store. I'll go look for it.
WHITE: Is it like religious music?
HS: *It's more like prog rock. The Osmonds have an even better song called "Crazy Horses"? It's not on "The Plan," but it's this apocalyptic Mormon song. You'd never think it was the Osmonds; it's heavier than Led Zeppelin.*
HESS: I'm writing that down.

HS: *You wrote* Nacho Libre *together, with Jared's wife, Jerusha. What was the process?*
WHITE: I went to Utah.
HESS: He'd come out to the 801, and we would go to Temple Square.

HS: *Who manned the computer?*
WHITE: Jerusha usually manned the computer. Sometimes I would. Sometimes Jared.
HESS: Very organic.

HS: *Are you guys going to work again in the future?*
HESS: We definitely will work again.

HS: *Together, I mean.*
WHITE: Oh no, no. [Laughter]

HS: *I heard you [Mike White] are directing your first film [*Year of the Dog*]?*
WHITE: I am. It's not about big pay days or prizes though. This one is about starting the revolution.
HESS: It's a goody.
WHITE: It's about animal rights. I'm a vegan now.
HESS: He became a vegan in Utah.
WHITE: Actually, in the Salt Lake airport, I picked up a book for the flight home called "The Pig Who Sang at the Moon" and arrived in L.A. a vegan.

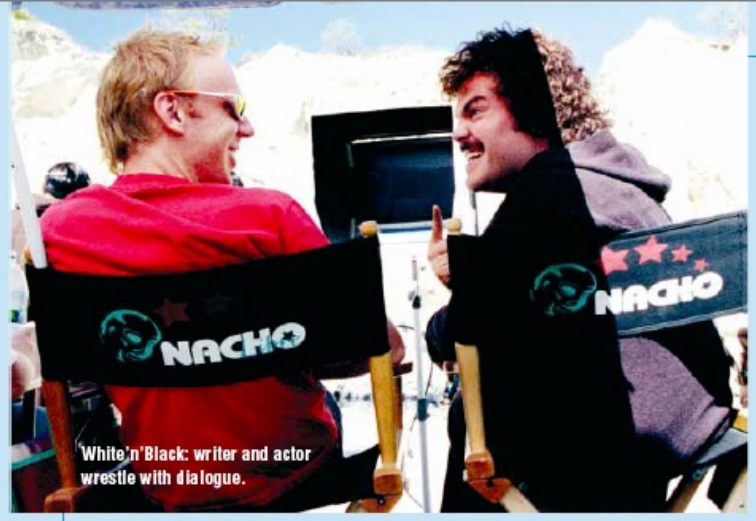
HS: *Are you vegan?*
HESS: I'm not. I should be, though. I was watching *Oprah* though. There's this book called "French Women Don't Get Fat."
WHITE: All they eat is cheese and meat, right?
HESS: Yeah, the three-bite-per-serving rule. You only need three bites of one thing and then you move on.
WHITE: That's what they do?
HESS: That's what this lady said.

HS: *That's how Dolly Parton says she stays trim; she eats whatever she wants, but only small portions.*
WHITE: Were you bummed when she didn't win the Oscar?
HS: *I was bummed that* Crash *won. That was one of the worst movies ever.*
HESS: I didn't see it.
WHITE: I thought it was pretty funny. They say comedies never win, but this proves them wrong.
HESS: Did anybody notice that—you know how they have performers for the "It's Hard Out Here For a Pimp" song, like actors acting it out? There was an actor portraying the character named DJay. They had a close-up of him—do you know who he was? He was Ozone from *Breakin' 1* and *Breakin' 2*.

HS: *Are you a big fan of the* Breakin'' *films?*
HESS: I'm a big fan of almost any '80s underdog movie?

HS: *Have you heard of some rodeo dude named Mighty Mike White?*
WHITE: Yeah, I Google myself all the time. I see that guy pop up.

HS: *There are a lot of Mike Whites.*
WHITE: There's a lot of Mike Whites, but I'm always the first.
HESS: I remember we had to get a picture of you when we were having that painting commissioned of you; so we were trying to find good images of you online so there was a guy—this is the weirdest thing—an image popped up of these frat boys on a beach with champagne, but there was an albino-looking guy in a muumuu, holding a glass of Champagne—it was sweet.
WHITE: I'm not actually albino, I want your readers to know.
HS: *Don't knock it; you might get a huge albino following.*
WHITE: I think that's an oxymoron.



White'n'Black: writer and actor wrestle with dialogue.

mom's theatrical productions.
WHITE: There was another guy who would basically write notes, because my mom had given him my address. He'd send me these long notes and send me articles of stuff that he saw me in. And he found my new house. I found some letter from the dude in the mail box, and it hadn't gone through the post office.
HESS: That's freaky.
WHITE: But Jack actually was at the house like five days ago, and we had burritos delivered because we were watching the movie, and Jack went to the door. Two days later, we had a fan letter from the burrito delivery guy to Jack. I opened the letter, because I thought it was to me. It was like, "It was a real cream dream running into you" with "cream dream" underlined. And he asked Jack if he could work backstage at the next Tenacious D tour.

HS: *There was a porn flick called* School of Cock. *Have there been any porn versions of* Napoleon Dynamite*?*
HESS: I don't think so. I've seen like a *Star Wars* stop-animation version on iFilm.
WHITE: What does that mean?
HESS: Some dude had done, "What if Na-

Stormy Daniels spreads the love around in

SLEEPING AROUND

by DESIREE

Randy Spears teases and tastes the fair-haired twat of director, writer, and star Stormy Daniels.

www.sexphoto.me

Randy *Spears* the loveable labia of Eva Angelina.

From triple threat performer Stormy Daniels comes her latest romantic comedy *Sleeping Around,* in which she not only penned the script but also directs and stars in it as well. I read the script prior to visiting the set and found the storyline to be quite cute with a twisted side that I found refreshing and arousing!

Basically, in a nutshell, the story is about a woman named Jill (Stormy Daniels) who is a successful business woman who's not afraid of demonstrating her sexual prowess and has no intention of settling down. Jill's sister, Courtney (Eva Angelina), on the other hand, is the total opposite: a shy, naive coffee shop proprietor who is looking for true love but is not having any luck finding it. So when the suave womanizing Harris (Randy Spears) breaks Courtney's heart, Jill risks everything for a taste of revenge. In the end, the results are nothing they could have imagined, as both sisters learn hilarious lessons about the consequences of sleeping around, and the harsh truth about falling in love.

I was just elated to be on set today because it has been awhile since I had the pleasure of seeing two of the hottest girls in the poon biz naked: Miss Eva Angelina and Stormy Daniels!

As usual, when I arrive on set, the normal crew hustle and bustle is already underway and Stormy paroles the set making sure everything is ready, proudly wearing her Wicked Pictures jacket. Stormy greets me cheerfully and gives her apologies for not being able to talk to me longer because she wants to get the show on the road. I reply that I understand and that we will talk shop later. She rushes off with a bounce in her step eager to start the day of shooting.

"Next thing you know, a second toy emerges which Haley, now sporting a devilish grin, slides right into Sammie's ass."

The first scene of the day is between (Courtney) Eva Angelina & (Harris) Randy Spears. Here's a little pre-scene background for you: Courtney and Harris are spending some quality time together at Harris' pad. It's obvious that it is their first date, as Courtney and Harris engage in some nervous chatter. It is clear that Harris only has one thing on his mind—getting into sweet little Courtney's britches! After a little coaxing, Harris succeeds and bow chicka bow bow...sweet little Courtney and Harris are getting into some pretty hot and heavy action!

With cameras now rolling, Randy wastes no time getting down to business, starting in on some skilled oral pussy worship before getting his pole sucked off. It seems to only take seconds for Randy's cock to get hard (who could blame him, I mean come on, Eva is fucking HOT!) and he conquers Eva's wet pussy with quickness, giving her hot box a good hard fucking in missionary, spoon and doggie positions before unloading his hot spunk all over her apple-round ass. Eva moans, satisfied. Stormy smiles at a scene well done. "Beautiful! Now, let's eat some lunch!" My sentiments exactly, nothing like a full belly after watching a beautiful young girl get plowed.

After a delicious lunch and some moments of laughter with the cast and crew, it was back to work. I wasn't complaining about it because, let's face it, I was there to see the sex after all. The next scene involved hot newcomers Sammie Rhodes and Haley Paige. The premise you ask? Randy picks up two girls (Haley and Sammie) at a local bar, takes them home and politely asks them to get it on with one another while he watches. They happily oblige, of course, jumping right into it, starting with a little kissing and some heavy petting before rocking the couch with some hardcore girl/girl action. Sammie is first up to bat, happily opening her legs, so Haley can devour her pussy with her mouth, tongue, and fingers. As their moans grew louder, it became

quickly apparent that the two girls definitely weren't the least bit hesitant about getting it on with one another. The obvious attraction between the two girls radiates from them and comes across even stronger as the scene continues. Stormy comments from behind the monitors, "Hot damn!" Let me just say folks, that's an understatement! I mean these girls are tearing into each other like wild animals in heat!

Sammie (now nice and wet) is more than eager to return the oral lovin' to Haley, diving into her cookie with gusto, slipping in two fingers while teasing her clit with her tongue. Haley begs for the chance to get back to Sammie's pussy, "I can't help it; it just tastes so fucking good!" Stormy gives Haley the okay to do what she wishes to Sammie and Haley grabs a glass dildo and asks Sammie to flip into pile driver position, "I'm going to fuck you so good you'll be screaming." Stormy raising an eyebrow impressed with Haley's enthusiasm, "That's the way to take control Haley, really give it to her."

Haley guides the dildo into Sammie's cunny, feverishly working it in and out of her pussy, causing Sammie to scream out in ecstasy. Next thing you know, a second toy emerges which Haley, now sporting a devilish grin, slides right into Sammie's ass. Sammie yells out in pleasure, "Oh yeah, fuck my pussy and ass!" Haley fucks Sammie so good that she comes two times in a row before begging for sexual mercy, her legs shaking from the intensity of her orgasm. Haley smiles at Stormy, "How was that?" Stormy's reply, "Fantastic! I was thinking about joining you two for a minute there, wow!" Sammie catches her breath, a whispery "wow" is all she can muster. Randy chuckles, "I feel neglected, all I got to do was sit there. I wanted to tear into those girls! Sometimes my job just isn't fair, I tell ya."

Stormy laughs with a wink, "Tomorrow all will be made right in your world Randy, be patient." Randy nods, "Oh yes, I get to have my way with you tomorrow." Stormy gives Randy a devilish grin, "Not exactly. Remember, I get to have MY way with YOU tomorrow!" Randy does a little dance and the cast and crew break into laughter.

The next day I arrive on set to find Randy walking around in a pair of elephant thong undies, proclaiming, "These are great! I think I might have to take them home." Stormy comes around the corner and tells Randy it's time to get dressed. After a few minutes of rehearsing how she is going to kick Randy's ass in the next scene, cameras are ready to roll.

HALEY PAIGE

Basically the set up for the scene is this: Harris has just tried to pick up Jill in a bar, not knowing she is Courtney's sister. Jill decides to take Harris up on his offer for a booty call, only taking him home to inflict some revenge on him for her little sister. Once they get to Jill's house, Jill turns into a total dominatrix, beating Harris up a little bit before chasing him around the house, where she finds him hiding in a closet. Truly a hilarious scene! Once he "comes out of the closet", we see that Jill has punished him—she has him in bondage cuffs, a collar, and he is wearing elephant thong undies and sitting on the bed looking humiliated & confused, yet strangely aroused at the same time.

Randy begs to fondle Stormy's breasts, but she tells him no, he must do what she tells him to. Randy obeys. Stormy pulls out a Polaroid camera and snaps a few pictures of him, but he is looking away from the camera, so Stormy yells at Randy, "look at me!" while snapping

HIGH SOCIETY'S Entertainment Editor gets doggied and loves every minute of it!

the picture. Classic I tell you! Stormy climbs on the bed, spreading her legs for Randy, but bossily tells him, "You better do it right!" pushing his head into her twat. Randy laps up Stormy's pussy and Stormy demands, "Tell me it's good!" Randy mumbles into her muff, "It's good." Randy slips a couple of fingers into Stormy's hot box, finger fucking her so good that it causes her to enjoy it too much for a minute. But soon she realizes that she's supposed to be bossing him around more and snaps back into dominatrix mode. Randy does as he's told and Stormy proceeds take over and tease Randy's member/elephant trunk that is now standing at attention. Stormy teases Randy's cock some through the elephant undies, eventually removing the "costume" to give Randy's dick a good hose job. Stormy tosses in a little hand job action too, which sends Randy into horn dog heaven. I spend most of the scene laughing my head off (but in a good way) because Stormy is just doing such a bang-up job.

Once Randy and Stormy get into the sex, they really get the bed rocking with a little cowgirl, followed by some very hot reverse cowgirl action with Stormy asking Randy during the throes of passion, "Whose your mama?" Randy can take no more and pops his load prematurely, shooting his love juice all over Stormy's belly. Stormy rolls her eyes in disbelief that he came so early and gets out of bed disgusted. "Now look at the mess you've made.," she scolds .

As Randy lies on the bed recouping, Stormy returns donning a strap-on declaring to Randy, "We are SO not done yet." Cameras cut on Randy screaming in terror.

So I bet you want to know how it all ends, huh? Well you'll just have to pick up a copy or *Sleeping Around* to find out!

STELLA & SOPHIE

Double Dildo Dykes

Stella and Sophie love a nice girls day out: They usually go shopping, enjoy a leisurely lunch at a sidewalk cafe, and then go to the spa for a manicure. But the real fun starts when the girls return to Sophie's apartment. Sophie emerges from the bathroom with a bottle of flavored oil, 2 shiny dildos, and a big smile on her face. Stella knows the drill—and knows she's about to get drilled with her friend's love toys! That first dildo penetrating into Stella's snatch feels so good, but it's that second plastic prick getting shoved up her butt that really makes Stella quake and shake with a slutty sexual bliss!

CELESTE

XXXtra Celestrial

With a smokin' hot body that's out of this world and a beautiful set of perky pink nipples that will send you (and your dick) into orbit, Celeste is in fact a supernatural sexpot. Her perfect pink pussy can bring any man to a cosmic climax. Those sweet, puffy lips can suck the life force right out of the strongest of men. And that cute, wrinkled asshole of hers is sure to make an anal astronaut out of anyone with a pulse. That's right, Celeste is a universal vision of beauty, driving horny guys to blastoff! Which begs the question: Who needs a Space Shuttle when a shuttlecock will do just fine?
